Re: Membership Organization Evaluation Decision

Dear Mr. Mitchell,

Taekwondo Canada has completed the 2015 MO reviews as required by Taekwondo Canada's bylaws. In accordance with the criteria as explained to you in the previously sent documents, an independent evaluation on this listed criteria was completed.

It should be noted that only criteria which was submitted was able to be included in the scores generated from the reports. Taekwondo Canada's board of directors reviewed the report as well as any other pertinent information before voting, and have concluded that you have exceeded the standards required to be a Provincial Section Member which is a voting member of Taekwondo Canada.

Attached is your review which outlines which sections you will need to look at moving forward as your areas in which improvement is possible. I thank you for your time and dedication to this review, and look forward to seeing you September 25, 2015 at the Taekwondo Canada AGM.

Please do not hesitate to contact me if you have any questions regarding the process or the results.
